Ground Transportation to and from the Airport

Akal Transportation has a shuttle that runs from the airport to most hotels in Victoria. There website is <http://www.victoriaairportshuttle.com/> . After speaking with them the rate each way is as low as \$11.00 per person (4 or more people). It is best to call or email them with your request so they can insure that the bus at the airport (run every 30 mins) is large enough for your group. **Toll Free: 1-877-386-2525 Email: info@victoriaairportshuttle.com**

Still needing accommodation

The Sandman has only a few rooms left available so if you have parents trying to find accommodations, these two are only a few blocks from the Sandman and about 15 mins from venue. Both are priced between \$90 and \$110 per night and offer some specials.
