- * Final Registration Date March 31, 2009
- * 3rd Bullentin April 8, 2010

Planning is going well and support for the other organizations is gratefully welcomed. We will continue to update the board and BCRSGF along the path ahead.

Some areas that we are requiring your assistance:

- Carpet

We will require the rental of an acceptable competitive carpet, we have applied for a grant to purchase the carpet, but I do not believe it will be successful in time.

- Volunteers

We would welcome any volunteers from the mainland, however, as when we have helped in Vancouver there is no funding for travel or hotel. We will feed the volunteers during their shifts. We could also offer billeting if individuals want to stay with some of our families.

- The overwhelming student response for volunteers should cover most areas, and we will start training them in early February, using them at our zones, and other opportunities. We can keep you updated if there are specific areas that are required. A workshop for Scoring would be great, so if that happens we will attend.
